

CO₂e Reduction Certificate

Martin Metals Kft.

HU-8000 Szekesfehervar

has transported, in cooperation with LKW WALTER, **68** full truck loads in 2024. A total of **65** full truck loads (95,6 %) was transported by

GREEN TRANSPORT

solutions and contributed considerably to climate and environment protection by a decarbonization value of

59 652 kg*
CO₂e emission reduction

- Total scope 3 CO₂e emission 36 454 kg
- Emission intensity 14,71 g CO₂e/to km
